PREFACIO

LUCIANO SUPERVIELLE

Recuerdo nítidamente mis primeros encuentros con el piano. El sentimiento de sumergirse en un océano desconocido e inabarcable, en el que todo está por descubrirse. Con el tiempo mi relación con el instrumento se ha vuelto más profunda, hasta convertirse en una parte de mí.

Siempre hay un componente rítmico muy presente y muy protagonista en mi música. Quizá esto esté relacionado con el baile. Por eso, aun trabajando sobre lenguajes musicales aparentemente lejanos, el pulso del *hip-hop* vuelve a emerger una y otra vez.

Al tocar estas piezas lo que estoy buscando en definitiva es ese hipnotismo, esa especie de magia que surge de la repetición del movimiento. A veces se muestra de manera más explícita y a veces más disimulada. Pero está ahí. El pulso, aunque velado, siempre está latiendo.

Creo que la intuición tiene un lugar fundamental a la hora de crear. Es necesario tomar riesgos, ir hacia lugares desconocidos. Es la manera de poder seguir avanzando y no terminar girando en círculo.

Todo este tiempo he buscado incorporar nuevas herramientas creativas, nuevas maneras de hacer música. Pasar al papel lo que estaba componiendo en el piano me permitió ver la composición desde una perspectiva diferente, nueva para mí.

Pero creo que en definitiva de lo que se trata es de seguir buscando un estilo propio. Una búsqueda que es interminable por cierto. El océano se hace cada vez más vasto.

FEDERICO RUBIO

¿UN PIANO NÁUFRAGO?

WASHINGTON BENAVIDES

Es una ballena azul.
Las barcas asesinas la acorralan
Entre los témpanos como dioses
Impasibles...
Déjate de imaginar cosas así
Es.
Un piano azul que naufraga.
Qué: ¿desechos de un Titanic?
Estallido de un barco mercante
Que transportaba bajo cubiertas.
¿Un piano PLEYEL acaso...?
Un noble instrumento de cuerdas
Enfundadas en un cuerpo
¿Casi de cetáceo...?
Volvemos a la ballena azul.
El piano que vi hundirse
en el Mar de Las Antillas,
Resucitó en el danzón.
Y su padre fue Lecuona.
No hubo piano náufrago entonces.
Lo hubo.

Está esperando –las dos manos–
En la Catedral Sumergida
De Claude Achille Debussy,
Que lo despertarán.
El piano sumergido,
Sí, te espera: muchacho
que te enfrentas.
A la doble hilera de teclas.
Las blancas y las negras,
que son las migas.
De pan para que no se pierda
otro Pulgarcito...
Mientras que las olitas
De la marejada estudian,
Los «101 Ejercicios» que el maestro
Karl CZERNY les impuso
Para su simetría de siglos.

Nos hemos acostumbrado a que los discos conviertan a las obras musicales en inamovibles. Sin embargo la música va cambiando en cada nueva interpretación.

La música, al igual que las fábulas infantiles, no merece nacer y morir en las manos de un único intérprete. Mi deseo es un día reencontrarme con estas piezas y que sean otras.
