notes for the performance

put your feet down with pollen
put your hands down with pollen
put your head down with pollen

then

your feet are pollen
your hands are pollen
your body is pollen
your mind is pollen
your voice is pollen

the trail is beautiful

be still

*

**song from the American Indians of the Southwest to drive evil away and to mark out the path of life*

listen
to the tam tam
opening

play the echo
of the inner sounds
that you start listening

become
air
